HANDS-ON ACTIVITIES

- Flashlight hunt/tag/find: Turn off the lights and play with flashlights.
- Pouring station: Fill up pitchers and cups of water. Play in empty bath or sensory bin.
- Play with boxes: Find a box and start decorating. Add stickers, paint, markers, paper, etc.
- Make bubble foam: 2:1 water to tear free soap, whip into stiff peaks with a hand mixer.
- Tape road: Make a road out of tape. Add cars, animals, blocks, etc.
- **Oobleck:** 2:1 cornstarch to water. Stir into a taste-safe, no stain slime.
- **Nature collage**: Go on a walk, collect bits from nature, glue into a collage.
- Wash the toys: Fill up a bin or bath with soapy water and wash plastic toys.
- **Painting with soap:** Add paint brushes to the bath tub to encourage painting with bubbles.
- Sensory bin (rice, oats): Make a sensory bin from rice or oats, add cups or trucks for play.
- Post-it find & match: Draw on sticky notes, hide in house find match onto "key."
- Make paper airplanes: Learn to make paper airplanes (lots of tutorials online).
- Paint rocks (then hide them): Gather rocks, paint them, hide for others to find.
- Paint with water: Use real paint brushes, water, and cardboard.
- Play with ice: Fill up a sensory bin or bowl with ice, water, scoops, and cups.
- Recycle bin crafts: Head to the recycle bin and find treasures. Create!
- Shaving cream play: Add squirts of shaving cream outside or to the shower. Have fun!
- Make potions: Build a science bin with baking soda, vinegar, soap, water, etc. Experiment!
- **LEGO bath:** Fill up the tub, dump in the DUPLOs. Also works in the shower.
- Popsicle bath: Fill up bath as usual. Add in kids and popsicles.
- Baking soda science: Dump a box of baking soda on a cookie sheet. Use syringes of food color dyed white vinegar for fizzy experimenting and color mixing.

- **Teach "Stuffies School":** Act out school. Let your child be the teacher to their stuffies, including circle time songs.
- Wash fruits & vegetables: Set out the fruit and veggies and let the kids wash.
- **Ultimate library:** Dump out ALL the books. Have an ultimate read-athon. Then sort them, donate some, and put them back together.
- Salad spinner with water: Salad spinners are so cool. Wash and dry toys.
- Car picnic: Take lunch to the car then work together to clean out the car after!
- Stopwatch timer: Try to beat their best times. Time anything and everything.
- Light a candle, sing happy birthday: On repeat. See how long this goes...

WHEN IN DOUBT WITH KIDS...

ADD WATER. ADD MUSIC. ADD A TIMER.

If you need a fast change: add water to it, turn up the music, or see if they can do it faster.
